Cremation Permit

Maximum – 2 Burials Per Gravesite (One Half Lot)

Date: _____ **Cemetery: _____**

Lot #: _____ **Addition: _____**

Name of Person Buried: _____

NOTE – THERE IS ABSOLUTELY NO UNAUTHORIZED DIGGING. The Marion Township Trustees will designate a contractor for **all** digging and foundation work.

Size of required ground foundation & plaque: the maximum is 12" x 12" and it must include the deceased's name, (maiden name), date of birth, and date of death. Regardless if headstone is already erected, marker must be set in two inch (2") concrete, and cremated remains buried three feet (3') deep below the marker.

The container for cremated remains must meet State requirements and be provided by a funeral home.
